Grading System

The grading system at Inspur is from 0 (zero) to 10 (ten). Students need to have a minimum grade of 5 (five) to pass. Class attendance is mandatory and must be at least 75%. Course completion is evaluated based on the continuous assessment of the student's results in quizzes, exercises, reports, projects, written exams and other academic assignments.

* The courses taken in the first semester do not have a final grade; they are pass/fail components of the curriculum

Course Status	Scale	Description of the grading system
Pass	9 - 10	Excellent
Pass	8 - 8.9	Very Good
Pass	7 - 7.9	Good
Pass	6 - 6.9	Satisfactory
Pass	5 - 5.9	Sufficient
Fail	3.1 - 4.9	Unsatisfactory
Fail	0 - 3	Unsatisfactory

The school certifies that the above named student achieved the results indicated above and is currently enrolled in the 2026/1 semester.
